Dagmfre Seid

Full Stack Web Developer | Urban Planner & Designer - I can help you by building responsive and standard quality websites.
Addis Ababa, Ethiopia

Summary

Hello, I am a full stack web developer and City/urban planning & designing third year student at AAU. I've been working as a front-end and back-end web developer on different online platforms like upwork, fiverr truelancer. I've done many responsive websites which satisfies my clients and fulfill all the standard qualities.
